TOWN WARRANT

To the Inhabitants of the Town of NEWBURY in the County of MERRIMACK in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at THE TOWN HALL in said NEWBURY on Tuesday, the 5th day of March, next at twelve of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To hear reports of Town Officers, Agents and Committees heretofore chosen and pass any vote relating thereto.
4. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.
5. To see if the Town will authorize the Selectmen to sell tax acquired properties to highest bidder.
6. To see if the Town will permit the Grange to drill an artesian well, with the right to service same, and to lay water pipes in town land.
7. To see if the Town will vote to join the Upper Valley-Lake Sunapee Council with adjoining towns, and raise and appropriate the sum of \$364.00 for dues.
8. To see if the Town will vote to raise and appropriate the sum of \$900.00 to install a metal strip, 30" wide, on the eaves of the Town Hall.
9. To see what action the Town wishes to take in regard to accepting a plan, similar to that of the State of New Hampshire, for highway department workers, with the following stipulations: (1) Follow State pay scale for each classification. (2) Each employee receives 1¼ days vacation per month worked, which may be allowed to accumulate to 30 days, and may be used as sick leave, if necessary. (3) Each employee receives 1¼ days sick leave per month worked, and may accumulate to 90 days, but may be used only as sick leave. (4) Each employee will receive the same number of paid holidays per year as State highway workers. (5) Each employee will receive time and one-half for over 44 hours worked in any week between November 1 and April 1. (6) No retirement plan is to be requested. (7) If passed, the plan shall take effect January 1, 1974, except that time and one-half pay will start November 1, 1974.
10. To see if the Town will vote to raise the Town Treasurer's and Selectmen's wage scale. To raise and appropriate money for same.
11. To see if the Town will vote to allow three families on Stonewall Lane to join on the sewer line.
12. To see if the Town will vote to have the sewer line in Blodgetts scoped for water leaks and frost cracks. To raise and appropriate money for same.
13. To see if the Town will vote to raise and appropriate the sum of \$5,000. for the Highway Equipment Reserve Fund.
14. To see if the Town will vote to raise and appropriate the sum of \$2,500. for the Fire Equipment Reserve Fund.
15. To see if the Town will vote to accept the Trust Fund accounts of: Marcus and Grace Click, \$300., Chandler Cemetery and Harold and Edith Eaton, \$100., Lakeside Cem.
16. To see if the Town will vote to raise and appropriate the sum of \$6,000., to be used with the Permanent Improvement Fund of \$6,000., to rebuild the Morse Road to legal width and surface.
17. To see if the Town will vote to raise and appropriate the sum of \$960.37 for T.R.A. on Class V roads, the State to contribute the sum of \$6,402.43.

18. To see if the Town will vote to raise and appropriate the sum of \$1,000 for rent of a Copier. Rental payments applied to purchase price, if proven satisfactory.
19. To see what action the Town desires to take in regard to the use of Snowmobiles on town roads.
20. To see what action the Town desires to take in regard to signs and billboards.
21. To see what action the Town desires to take in regard to all town officials not on the town ballot, to either be elected or appointed by the Selectmen under vote of the Town.
22. To see what action the Town desires to take in regard to closing the old end of Bay Point Road by the Leach house, and revert back to abutters.
23. To hear the report of the Fire House Committee, and pass any vote relating to same.
24. To see if the Town will raise and appropriate the \$1,100. balance due on a Mechanical Sander.
25. To see if the Town will vote to raise and appropriate an amount equal to \$1.25 per inhabitant of the Town, or \$757.50, to join the Kearsarge Visiting Nurse Association.
26. To see if the Town will vote to buy a new Police Cruiser, and raise and appropriate monies for same.
27. To see what action the Town desires to take on the Homestead Act, Chapter No. 482.
28. To see if the town will vote to authorize the Selectmen to apply for, contract for and accept, Federal or State grants, or both, as may become available under the Federal Disaster Assistance Program, and to expend such sums for the purposes set forth in said program.
29. To see if the Town will vote to raise and appropriate the sum of \$750.00 for the purpose of buying and erecting a new piece of fence on the east side of Chandler Cemetery, on 103B, to correspond to the new fence on the other side.
30. To see what action the town desires to take in regard to raising and appropriating the sum of \$3,000.00 for the purpose of exploring sites for a Sanitary Land Fill, either alone or in conjunction with Bradford and Sutton. The Selectmen to appoint a committee of five for investigation and study.
31. Due to the rise in construction cost in the last twelve months, it may be necessary for the Town to raise and appropriate a sum of money to guarantee that a well and sewage system be constructed at the Fire House site.
32. To transact any other business that may legally come before said meeting.

PRIVATE SEC CORTELYOU. PRESIDENT ROOSEVELT. SEC OF STATE JOHN HAY. 1902
 (From a Photograph Taken Especially for the Globe at Newbury, N H, by the Official Photographer, R. L. Dunn.) Summer 1912

The Kearsarge — Life and Death

Lake Station, First and Last

Left is the engine of the Lady Woodsum in the basement of the Woodward home in Sutton. Many of the pictures in this town report were made available as a result of the love of the Lake and of their preservation by Orison H. Woodward.

MEETING THE TRAIN (below)

The four Lake Sunapee Steamboats leaving Lake Station after meeting the train about five o'clock, circa 1915. They are left to right: the Armenia White built 1887, the Kearsarge built 1897, the Weetamo built 1902, and the Ascutney built 1907.

SUNAPEE LAKE

✻ SPIRITUALIST ✻

CAMP MEETING

BLODGETT'S LANDING,

NEWBURY, N. H.

THE + SPIRITUALISTS + OF + NEW + HAMPSHIRE

*Will hold their Eighth Annual Camp Meeting
at Blodgett's Landing, Newbury, N. H.,*

(ON THE LINE OF THE CONCORD AND CLAREMONT R. R.)

Commencing Tuesday, July 25th,

— AND —

CLOSING WEDNESDAY, SEPT. 5th, 1885.

✻ Officers : ✻

GEORGE A. FULLER, PRESIDENT, Dover, Mass.

DR. H. B. STORER, SECRETARY, 29 Indiana Place, Boston, Mass.

V. C. BROCKWAY, TREASURER, Newbury, N. H.

COMMITTEE ON GROUNDS AND PRIVILEGES:

GEO. W. BLODGETT, Newbury, N. H., and HORATIO G. HAWKINS, Keene, N. H.

The following paragraphs taken from a program of the eighth annual Camp Meeting of the Spiritualist of New Hampshire in 1885.

situation of the grove

This grove, situated on the eastern shore of Lake Sunapee, in the town of Newbury, is about five miles from the railroad station, on the Concord & Claremont Railroad. The steamer "Lady Woodsum" makes connections with all trains on this road at Newbury.

In speaking of Lake Sunapee, and its beautiful scenery, a recent writer says: "Stand and gaze from Sunapee's verdant shores upon the isle-gemmed lake; or sail across its mirry surface some summer noon upon the little steamer that plies upon its waters, or in a boat row along its shores on a moonlight night, shooting now under hemlock-crowned banks, then across grassy pools where the birch and poplar shadows fall, anon passing margins of white sand, against which the bright waves ripple with pleasing murmur, and you'll think if there is a heaven on earth it is here."

IMPROVEMENTS

The owner of the Grounds, Mr. Geo. W. Blodgett, has completed and furnished an excellent hotel, 120 x 25 feet, with a large dining hall, and ample accommodations for lodging purposes. There will be a two-story addition, 65 feet in length, with commodious waiting rooms and necessary offices, completed previous to the

opening of the Camp Meeting. A fine Pavilion, near the centre of the Grounds, overlooks the lake and grove. The bowling alley will be under competent management.

Cottages and Lots

Already twenty-eight cottages have been erected on the grounds, and many more are in process of building. Since the commencement of the season of 1883 the grounds have been surveyed and one hundred and twenty-five lots, 32 x 64 feet in size have been laid out, and one hundred have been leased. There are also now remaining some desirable lots which may be leased of Mr. Geo. Blodgett for a term of twenty years for the nominal sum of \$2. per year.

The Hotel

Hotel Sunapee will be under the management of Messrs. Hawkins, Blodgett and Fuller. In every department efficient help will be secured, and the managers will ever seek to please their guests. The hotel will be open the entire season from June 15th. Board, including room, \$7.00 per week. Table board, \$4.50 per week. Single meals, breakfast and supper, 35 cents; dinner, 50 cents; lodging, 25 cents per night. Limited number of excellent furnished rooms, 50 cents per day. Boats 50 cents per day. A laundry will be established on the grounds.

The above paragraphs taken from a program of the eighth annual Camp Meeting of the Spiritualist of New Hampshire in 1885.

NEWBURY PUBLIC LIBRARY

November 17, 1973 marked the tenth anniversary of the first Open House, held to celebrate the opening of the Newbury Public Library, which had been completed in October, 1963.

Since that time, many people have made use of the Library, with 1973 being another successful year. Much of the credit for this success goes to the two Librarians, Mrs. Harley Nye and Mrs. Merle Rich, who have both been with us since the beginning.

As in the past, the students attending the Newbury School are given time away from their classes to borrow and return books. The Librarians obtain films from the State Library and show them at the school. This co-operation between the school and library has been beneficial to all.

A marker has been purchased and placed on the grave of Jennie Folsom.

Open House was held August 10, 1973 with refreshments served. A variety of arts and crafts were displayed by both adults and children.

As well as books of all types, recordings have now been made available.

The State Library Bookmobile made three visits during the year.

Forty-two adult and sixty-eight juvenile books were purchased.

A continuous discarded booksale was begun early in the summer by the librarians.

Three thousand, one hundred and twenty books have circulated during the year.

Library hours are:

Monday & Wed. 2:00-5:00 p.m. year round

Mon. evenings 6:30-8:30 April-October

Librarians: Mrs. Merle Rich, Mrs. Harley Nye

Trustee: Mrs. Harold Newell, Mrs. Samuel Lubinger, Mrs. Ernest Sherman

REPORT OF HIGHWAY DEPARTMENT

The year 1973 was a good one for the highway department. Snow work was very light at both ends of the year, saving us some expense and equipment wear and giving us some time to do a lot of roadside wood and brush cutting. The amount of sand used was more than usual due to the many wet storms. Good weather in the fall allowed us to get more maintenance work done than usual which left us in very good shape when snow did arrive. All regular maintenance tasks were carried out during the year, plus several permanent improvement projects and T.R.A. construction.

Our equipment is all in good shape to start the new year. Another automatic sander was purchased in November, and has been very useful with the ice we have had. It was purchased on a rental basis until March, and a small appropriation will be asked to pay the balance.

In this report I would like to explain the reasons for the sharp rise in appropriations requested for 1974.

One is to allow for wage increases which are already set up to match the State raises.

Another is the vast increase in the cost of fuel to us over the previous year. Already fuel for the diesels and furnace has almost doubled, and is expected to go much higher. Gas, also, has taken quite a jump. I expect the increases in fuel cost to amount to at least \$2,500., if not more.

A large increase will be needed in the oiling appropriation due to the jump in the cost of asphalt, which is another oil product. Our supplier has informed us that it will probably double in price over last year, if it is available. We cannot let our sealing and patching operations slide to save money, because if the paved roads are allowed to deteriorate it will be more expensive to get them back in shape again. At the present time our roads are in very good condition, and I hope we will be allowed to keep them good.

Finally, everything we purchase to keep the department going is sharply rising in price, as well as many items being hard to get. I feel the appropriations asked for will be necessary to keep the department functioning on a normal basis.

The men of the highway department appreciate the cooperation we have had from the people over the years, and hope we may continue to keep Newbury's roads as good, or better, than our neighboring towns.

HAROLD FOLSOM
Road Agent

REPORT OF THE FIRE DEPARTMENT

Calls answered during 1973:

Jan. 22 — Edgemont Motel, furnace backfire, no damage.

Jan. 31 — Newbury Service-center, car seat fire.

Feb. 15 — Alex Gribko, wall fire at chimney thimble, minor damage.

Mar. 3 — Paul Diekmann, chimney fire, no damage.

April 23 — Center Garage, pillow fire, no damage.

May 4 — Edgemont Motel, furnace backfire, no damage.

July 19 — Knollwood Inn, brush fire

July 21 — Bradford assist, house on Main St.

July 22 — Hays Reef, boat out of control, fire boat assist.

Aug. 17 — Gas spill Sunapee Harbor, fire boat assist.

Oct. 17 — Town dump, wood fire

Dec. 25 — William Schroeder, chimney fire, no damage.

No. of meetings	12
-----------------	----

No. of drills	26

Men on roster	30
---------------	----

Total hours worked	526
--------------------	-----

This past year has been fortunate in that fire destruction was very minor. For a community that is growing from a seasonal status to a year-round residence, increasing demands will be made upon the facilities of the Fire Department. Hopefully, continuing drills and schooling for the men, plus existing and new equipment will meet this demand.

Several important items on the energy crisis that pertains to all homeowners: "Storage of gasoline", please, not in the house or garage. Gas expands too readily, and the fumes are very easy to ignite from many unsuspecting sources. "Chimneys", with wood stoves coming back, chimneys should be cleaned once a year, or at least checked. Problems will exist where a wood stove and an oil furnace both use the same flue.

Everyone's cooperation and continued support of fire prevention is greatly appreciated. My thanks to the members of the department for their confidence in having me succeed Clark Davis, who, incidentally, will be irreplaceable, as his devotion to the department came first. The Town's loss is now the State's gain.

JOHN G. CROTEAU
Acting Chief

REPORT OF BRADFORD RESCUE SQUAD

The Bradford Rescue Squad wants to thank the town of Newbury for all their support.

In the past year we were able to purchase a new ambulance, a 1973 Chev. Van with the capacity to carry five patients at the same time.

We have 18 trained personnel, which have either E.M.T. or Advanced First Aid training. All are licensed Ambulance Attendants.

In the past year we went on eighty emergency calls, eleven of them were in the town of Newbury. We cover the towns of Bradford, Newbury, Warner and Sutton.

We are in process of buying equipment and setting up a rescue truck to provide more efficient help to people in need of Emergency Services.

Thank you for your support,
BRADFORD RESCUE SQUAD

REPORT OF INFORMATION BOOTH

The Information Booth was opened on June 23rd and 24th. It opened for the season on June 29, 1973 from 10:00 a.m. to 5:00 p.m. each day through Labor Day. It was open on September 7th, 8th, 14th, 28th, 29th, and on October 6th for the final day.

REPORT OF THE FOREST FIRE WARDEN

There were no reported forest or brush fires in Newbury this year.

Two of our deputy wardens are leaving at the end of this year. Merle S. Rich has retired after 23 years of service. The town has appreciated the time spent by him with the forest fire department. Clark M. Davis has resigned to take the position as District Chief with the Forest Fire Service in the Seacoast District. The town appreciates his services and wishes him the best in his new position.

The Forest Fire Department is starting to set up a plectron alert system such as the Fire Department has. In a few years we hope that each Deputy Warden will have a plectron.

HENRY E. THOMAS, JR.
Forest Fire Warden

REPORT OF BUILDING INSPECTOR

January 1, 1973 to December 31, 1973

21	New Homes
18	Alterations and additions
5	Garages
2	Commercial Buildings
3	Alterations on Comm. Bldgs.
2	Barns
3	Storage Sheds
2	Sugar Houses
1	Screen House
57	Total permits issued

New construction on homes was only about seventy percent of what it was in 1972, probably due to costs of materials, and money at the banks was a little harder to come by. Without a doubt, construction in 1974 will probably drop off considerably due to the Energy Crisis and inflation.

With but few exceptions, the builders have been very cooperative, also, the Selectmen, members of the Zoning Board, Adjustment Board and all others concerned.

Respectfully submitted,

CLIFFORD W. AYER
Building Inspector

PLANNING BOARD REPORT

Planning Board activities again increased in the last year. Besides the regular twice a month meetings, an additional evening each month was needed to accommodate special and executive sessions, and preliminary and public hearings. The hours of work in preparation for these meetings is almost impossible to estimate. It would take too much space here to give any details, but the Board would be most happy to do so for any and all persons interested.

Although there is still much work to be done, it is believed the most difficult times have passed and a phase has been reached where activities should stabilize.

It has been obvious that the Board has enjoyed the support and backing of those it serves, the people of our town. Such confidence and interest is most gratifying and cannot help but insure continued hard work and dedication by the Board.

Paul J. Diekmann
Chairman

REPORT OF THE HEALTH OFFICER

Many home owners may want to know just what laws and ordinances have been passed to protect them and their environment. The following are samples:

1. No privy, stable or structure in which . . . animals or fowl are kept shall be maintained within seventy-five feet of Lake Sunapee, any bay, cove or inlet thereto, or within seventy-five feet of any stream tributary to said lake . . . adopted by the State Board of Health, September 28, 1899.

2. No person shall occupy, lease or permit any person to occupy a building or part of it as a dwelling store, sleeping cabin, etc., unless such building shall have readily accessible adequate toilet and lavatory facilities . . . Fine \$10. a day. RSA 147:8.

3. No person shall construct any building from which sewage or waste will discharge or construct a sewage or waste disposal system without prior approval of the plans by Water Supply and Pollution Control Commission. RSA 149 E.

4. No person shall alter or replace any sewage disposal system except in conformity with the state standards for new systems and prior approval by the Newbury Health Officer. Selectmans Ordinance.

5. Applications for construction approval or subdivision approval must be accompanied by a

certificate signed by the Newbury Health Officer. Selectmans Ordinance, May 28, 1973.

6. Any person who shall violate any of the provisions of this chapter (RSA 149 E), or who shall fail, neglect, or refuse to obey any order of the commission, or member, or authorized agent of the commission issued under the authority of this chapter (149 E) shall be fined not more than \$1,000. for such violation, neglect or refusal. RSA 149.

7. Any artificially made hole in the ground, more than four feet deep, more than eight inches in diameter, and less than sixteen square feet of area at the top, which is within 500 feet of a dwelling or 200 feet of a highway must be covered so as to withstand 1,000 pounds, or be fenced by a fence at least 3 feet high so constructed that no child can crawl through or be easily removed by children. Penalty fine of not more than \$500. RSA 148:34, 35, 36, 37.

8. Any person being the owner of a container originally used for refrigeration purposes who fails to remove the lid from said container before discarding it, upon conviction thereof shall be punished by a fine of not more than fifty dollars, or imprisoned NOT MORE THAN 30 DAYS, OR BOTH . . . (RSA 147:21a)

Common sense says, when in doubt ask the Health Officer — Telephone 938-5311, or the Selectmen.

Ernest Sherman

TOWN MEETING March 6, 1973

Moderator G. Webb Rogers called the meeting to order at 1:00 p.m., read the Warrant to Article I and declared the polls opened. Polls were closed at 6:05 p.m. and ballots counted. Remaining articles of the warrant were taken up at 7:30 p.m. (The moderator read the results of the balloting immediately after ballots were counted. See results on last page.)

Article 2 — Budget was read and questions regarding budget followed.

Q—Joseph Digilio asked what the legal fees were for in the budget.

A—Merle Rich answered that they were for lawyers expenses incurred to fight the petition that the Hay's Estate served on the Town for lower taxes. The Town won. There were several questions in regard to budget items, many of them due to the fact that there were printing errors, and explanation was needed. Alice Lynn made a motion to accept the budget as read. Thomas Erickson seconded the motion and it was so voted.

Article 3 — To hear reports of Town Officers, committees, etc. Webb Rogers reported as a

member of the apportionment committee for Kearsarge Regional High School that the committee recommended that the apportionment stay the same as previous years.

Ernest Sherman stated that the Selectmen had asked him to follow through on the apportionment committee's recommendation, which he did.

Article 4 — Authorize Selectmen to borrow money in anticipation of taxes.

Ernest Sherman made a motion to accept the article as read. Thomas Leach seconded the motion and it was so voted.

Article 5 — To see if the Town will vote to use monies received as Revenue Sharing for the purpose of building a new Fire House.

The Moderator read and explained what Revenue Sharing is, its restrictions, etc. (See explanation at end of Article 27)

Ernest Sherman moved that a trust fund, with the Selectmen and the Town Treasurer as trustees, in which all monies received under subtitle

A of Public Law 92-512 will be deposited to be accumulated and used according to the law for building a new fire house without any town appropriation.

Alice Lynn seconded the motion.

Walter Croteau amended Mr. Sherman's article to read, "A committee be appointed to make plans for and to insure the accomplishment of the Fire House Project. This committee to consist of six members. Two members to be nominated by the Fire Department, one member nominated by the Selectmen, one member nominated by the Planning Board, one member nominated by the Police Dept., and one member not belonging to any of the foregoing groups to be nominated and elected by the voters after the passage of this article." Kenneth Sherman seconded the amendment.

Lee Pomeroy asked who the committee was to report to. Walter Croteau stated that he felt that the committee would report to the Selectmen as they were fiscal officers. Louis LaVaude amended the original motion and first amendment to read, "Funds appropriated may be used for planning purposes, but prior to expending funds for construction, approval of a town meeting will be required. Bill Crowder seconded the amendment.

Ernest Sherman and Alice Lynn both accepted amendment 1 and 2 and Mr. Croteau and Kenneth Sherman accepted amendment 2.

There was much discussion on Article 5 with the final article reading: "I move that a trust fund, with the Selectmen and the Town Treasurer as trustees, in which all monies received under subtitle A of Public Law 92-512 will be deposited to be accumulated and used according to the law for building a new fire house without any town appropriation; and that a committee be appointed to make plans for and insure the accomplishment of the Fire House Project. This committee to consist of six members: two members to be nominated by the Fire Department, one member by the Selectmen, one member by the Planning Board, one member by the Police Dept., and one member not belonging to any of the foregoing groups to be nominated and elected by the voters after the passage of this article; and funds appropriated may be used for planning purposes, but prior to expending funds for construction approval of a town meeting will required."

Merle Rich made the motion that the above motion be accepted as read. Pamela August seconded it and it was so voted.

Walter Croteau nominated Frank Yager as the member to be elected at this meeting.

Robert Vashel seconded the nomination. George Klotz made a motion that nominations cease. Sherbrooke Rogers seconded the motion.

The Moderator stated that the motion was made and seconded that Frank Yager be accepted as the member to be elected at this meeting to serve on the Fire House Project Committee. None opposed and the motion so carried.

Article 6 — To raise and appropriate \$2,500. for a new house.

Fire Chief Clark Davis asked that this article be tabled due to the fact that a committee of three firemen and the Chief are currently studying the needs of the department regarding hose. The article was tabled.

Article 7 — To see what action the Town desires to take in regard to an annual donation for Ambulance Service.

Harold Eaton made a motion that \$200. be donated to both Newport and New London and that \$400. be donated to the Bradford Rescue Squad.

Donald Twyon seconded the motion and it was so voted.

Article 8 — To see what action the Town desires to take in raising and appropriating the sum of \$2,500. for Fire Equipment Reserve Fund. Bill Crowder made a motion we accept article as read. Robert Breck seconded the motion and it was so voted.

Article 9 — To see what action the Town desires to take in raising and appropriating the sum of \$5,000. for Highway Equipment Reserve Fund.

Arthur Larson made a motion we accept the article as read. Pamela August seconded the motion and it was so voted.

Article 10 — To see what action the Town desires to take in regards to accepting the Edith K. Eaton Educational Fund by the Town trust fund trustees. The yearly income to be spent by committee of three members appointed by the Eaton family. Rosemary Croteau explained that this fund was established by donations made in memory of Mrs. Eaton, who had cooked at the Newbury School for approximately 20 years. Kenneth Sherman moved to accept the article as read. Donald Twyon seconded the motion and it was so voted.

Harold Eaton, speaking for his family, wanted to personally thank everybody that had anything to do with this fund, and that it is the family's wishes that a Newbury child get the scholarship. The family would like to have the committee consist of a Newbury School teacher (specifically, Mrs. Cole) and a resident, specifically, Rosemary Croteau, and one member of the family.

Article 11 — To see what action the Town desires to take in raising and appropriating the sum of \$962.14, the State to contribute the sum of \$6,414.30 for T.R.A. on Class V roads. Harold Eaton moved the article be accepted as read. Bill Crowder seconded the motion and it was so voted.

Article 12 — To see if the Town will vote to accept the road known as Fortune Lane when it meets approval of the Road Agent. Blanche Clark asked where Fortune Lane was. The Selectmen answered the Old Post Road, also known as the Dump Road. Harold Folsom said the road is almost ready to accept and he would be for accepting the article. Merle Rich moved that we accept the article as read. Alice Lynn seconded and it was so voted.

Article 13 — To see what action the Town desires to take in regards to accepting the road around the back side of Chalk Pond when it meets approval of the Road Agent. Mr. Folsom, Road Agent, stated that this was a different situation, and that the road on the back side of Chalk Pond was no where near ready for acceptance in his judgement. Joseph Digilio made the motion that we pass over the article for one year so that this road can be put in shape, before we accept it as a town road. Thomas Leach seconded the motion and it was so voted.

Article 14 — To see what action the Town desires to take in regards to assisting the Kindergarten School in Bradford. It was explained that this school is a private kindergarten, accepting 20 children from the towns of Bradford, Sutton and Newbury. It is a non-profit organization, and that each participating parent pays a certain fee. However, the school is run in the Bradford Town Hall and the school was required to pay \$300. yearly for rent. It was felt by the parents of the children attending that if each of the towns were to share the cost, at \$100. each, it would help ease Bradford's burden. There was much discussion on this article. Several voters expressed concern over the Town raising and appropriating money for a private kindergarten, and that it perhaps might set a precedent. Kenneth Sherman made a motion to raise and appropriate \$100. This money to be under the jurisdiction and guidance of the Newbury School Board member. Sandra Gove seconded the motion. Daniel Wolf amended the motion to read "provided it's legal." K. Sherman and S. Gove ac-

cepted the amendment, and the motion and amendment were so voted.

Article 15 — To see what action the Town desires to take in regards to changing the old type street lights to new Mercury Vapor lights. This would increase street light cost about \$2,500. We would have less lights out and more light at all times. Bill Crowder made a motion to accept the article as read. George Croteau seconded it and it was so voted.

Article 16 — To see if the Town will vote to accept the Trust Fund accounts of: Jacques Coleman \$200., Lakeside Cemetery; and Mr. and Mrs. Walter Roberts, \$200., Lakeside Cemetery. Walter Croteau made a motion to accept the article as read. Sherbrook Rogers seconded the motion and it was so voted.

Article 17 — To see what action the Town desires to take in regards to appointing Ernest Sherman as Chairman of an Historical Committee to make plans for the 200th Anniversary of the Town in 1978. Arthur Larson amended the motion to read "and in connection therewith, to appropriate the sum of \$100. for expenses connected therewith, and further that a committee be appointed by the Selectmen to begin to make plans for the 200th Anniversary of the Town in 1978. No appropriation for this purpose to be made this year." Ernest Sherman explained that the money would be used for proper fire proof files, zeroxing, etc. Thomas Erickson seconded the motion and amendment and it was so voted.

Article 18 — To see if the Town will vote to raise and appropriate the sum of \$686.70 from the town's General Revenue Sharing Fund to support the services of the Belknap-Merrimack Community Action Program, Inc. This request for financial support is based on a formula that takes into consideration the amount of money received by the Town under Revenue Sharing, as compared to the amount of money received by all of the other towns in Belknap and Merrimack Counties. Kenneth Sherman made a motion that this article be layed on the table due to action in Article 5. Arthur Larson seconded the motion and it was so voted.

Article 19 — To see what action the Town desires to take in regards to raising and appropriating a sum of money for the purpose of fixing the Town Hall roof.

Alice Lynn made a motion to accept the article as read and to leave it up to the Town Fathers as to which man does the job.

Thomas Erickson seconded the motion.

Kenneth Sherman amended that the Town raise the sum of \$650. for purpose of fixing town hall roof.

Arthur Larson seconded the amendment. Amendment accepted by Mrs. Lynn and Mr. Erickson. The motion and amendment was so voted.

Article 20 — To see if the Town will vote to raise and appropriate the sum of \$1,000. for the Boat Launching ramp by the so-called Blodgett Brook.

Thomas Leach made a motion this article be tabled. Thomas Erickson seconded and it was so voted.

Article 21 — To see if the Town will vote to raise and appropriate the sum of \$7,000. annually to assist the Croft Beach Sewer Project, the same as at Blodgetts, until such time as bonds are paid off.

Joseph Digilio made a motion that the article be tabled. Bill Crowder seconded it.

Merle Rich explained that the Town is liable for this bill.

Clarence Perry reminded the the voters that the Town had voted to authorize the Selectmen to go out and get the bonds originally, so the Town is obligated.

Mr. Digilio withdrew his motion and Bill Crowder withdrew his second.

Arthur Larson made a motion that we accept the article as read. Ruth Croteau seconded it and it was so voted.

Article 22 — To see what action the Town desires to take in regards to raising wage scale of other workers to correspond to town road workers. Raise and appropriate the sum of \$1,150. to cover cost of same.

Alice Lynn asked to have it clarified who "other town workers" are.

Merle Rich stated that it was the dump attendant, cemetery attendant, office girl, Police Chief and possibly Fire Chief.

Thomas Leach moved that the article be accepted. Bill Crowder seconded it and it was so voted.

Article 23 — To see what action the Town desires to take in regards to raising and appropriating the sum of \$1,600. for the purpose of erecting a fence around the new part of Chandler Cemetery.

Walter Croteau stated that it was his understanding that State law requires that cemeteries

be fenced and he "moves that the article be accepted as read." Pamela August seconded it and it was so voted.

Article 24 — To see if the Town will vote to adopt the Sewer Ordinance as required by the State.

Ernest Sherman stated that the basic changes were that anyone within 100' of the sewer line had to hook on; and that the time limit had changed from 45 days to 90.

Bill Crowder moved that the article be accepted as read. Walter Croteau seconded it and it was so voted.

Article 25 — To see if the Town will vote to join the Region 3, Upper Valley Planning and Development Commission. Raise and appropriate a sum not to exceed \$600. or that part allocated.

Arthur Larson made a motion the article be tabled. Alice Lynn seconded it and it was so voted.

Article 26 — To see what action the Town desires to take in regards to trading a piece of land in Newbury Heights with Larry Bonner for his Lot and Barn beside the Town Hall.

Larry Bonner explained that he would like to have the piece of land on Newbury Heights in order to build a large boat storage shed. He felt that the piece of land beside the Town Hall would be worth more to the Town as it could provide parking space.

Arthur Larson stated that the state sold the piece of Heights land to the Town in 1959 for the sum of \$300., and that it was stipulated that the Town use it for recreation purposes only. He felt that it would be going against the law to use it for any other purpose.

Bill Crowder made a motion not to accept the article. Kenneth Sherman seconded it and it was so voted.

Article 27 — To transact any other business that may legally come before said meeting. School Board member, Mrs. Marjorie Erickson, explained that vote would be taken at the annual school meeting to consolidate Bradford and Newbury schools in order to provide single grades for both schools. Just Bradford and Newbury would vote on this article, and she urged Newbury voters to go there and vote.

The following is what the Moderator read regarding Revenue Sharing:

Under the new federal law, Newbury receives from the Federal Government approximately \$11,000. per year. It is required that this money be placed in a trust fund and all money spent from this fund be specifically accounted for and

periodic reports submitted to the government as to how the money is spent or what it is set aside for.

There are certain restrictions as to how the money can be used, as follows:

1. It cannot be used for any part of a project when the Federal Government contributes funds on the basis of the funds to be spent by the Town.

2. It must be spent for "priority expenditures" as specified in the Act.

If the monies allotted in this Act are used improperly the Town can be required to return the money to the Federal Government or have its future allotments reduced in amount. Consequently, it is important that the usage of this money be set up properly at this meeting.

The following is the results of March 6th balloting:

For Selectmen:

James M. Wright	146
Herbert Smith	1
Daniel Wolf	1

For Town Clerk: Evelyn C. Davis 151

For Town Treasurer: Walter Croteau 151

For Tax Collector: Evelyn C. Davis 152

For Road Agent: Harold Folsom 154

Overseer of Public Welfare:

John Doyle 148

Richard Perkins 1

Auditor: Frank Yager 150

Library Trustee:

Jeannette Sherman 11

Bertha Rich 8

Mona Ricard 4

George Purple 3

Dorothy Perkins 2

Scattered votes 8

Shall the provision of Chapter 287 of the Revised Statutes Annotated relative to playing games of beano be adopted in the town of Newbury: Yes 101 No 18

Building Codes: To see if the Town will vote to change building codes as follows:

1. In Article III A.

Beginning in the fourth line delete "of an estimated value of \$500. or more," and beginning on the ninth line delete "and is estimated to cost no more than \$500." Yes 92 No 36

2. Insert new Article IX (Enforcement)

A. It shall be the duty of the Board of Selectmen to enforce the provisions of this regulation. Yes 107 No 36

B. Upon any well founded information that this regulation is being violated, the Board of Selectmen shall take immediate enforcement action by any legal means. Yes 109 No 14

Zoning Ordinance: To see if the Town will vote to change Zoning ordinances as follows:

1. In Article V (Residential+Business)

Frontage and yard requirements, change 1. Frontage, to read: "every new dwelling shall have a minimum lot frontage of two hundred feet, and an area of not less than 2 acres per family. The same two acres and two hundred feet is required for a business establishment. Yes 103 No 36

2. In Article XIV (Definitions)

Delete Paragraph E. Dwellings, etc. Yes 84 No 23

To see if the Town will vote to change the Subdivision Regulations as follows:

1. In Section IV (Procedures)

B. Application — Delete the statement in parenthesis which reads, "application forms may be secured from the Town Clerk." Yes 99 No 16

2. In Section VIII (Small Subdivisions)

Second line, change to read "consisting of a map of the property, etc." Yes 99 No 18

3. In Section VIII (Small Subdivisions)

Delete A. which states, "No part of the land involved is located within 1,000 feet of Lake Sunapee, Lake Todd or Chalk Pond," and reletter B to A, 90 No 25

4. In Section XV (Penalties)

Paragraph 3, change first sentence to read, "Before approval of a subdivision the Planning Board may require a bond be filed by the subdivider, etc." Yes 94 No 24

All persons elected were sworn in after the election on March 6, 1973 by the Moderator, except Jeannette Sherman.

Mrs. Sherman was sworn in on March 22, 1973.

The meeting was adjourned at 11:00 p.m.

Respectfully submitted,
Evelyn C. Davis
Town Clerk

COURTESY TOWN MEETING

August 18, 1973

The annual summer meeting was opened by Moderator G. Webb Rogers at 8:05 p.m. Mr. Rogers introduced town officials and read the results of the March Town Meeting. The meeting was then opened to the summer residents for questions, answers and comments.

Q—Have the rocks in the boat channel at Blodgett Landing been removed?

A—Moderator Rogers stated that they had been removed.

Q—What disposition is the town taking with respect to Federal Revenue Sharing Funds—other than construction of a Fire Station?

A—Moderator Rogers stated that the Revenue Sharing Funds were fully committed at the Town Meeting in March under Article 5.

Q—Why is it necessary to build a new fire house?

A—Chief Davis stated that due to the fact that the fire department already has one engine and one boat that they have no housing for, it is clear that a new building is needed. Also, that the present building is in very poor shape, sills rotted, etc.

Q—Why hasn't the town painted the fire house?

A—Moderator Rogers stated that the previous question and answer should have answered this.

Q—The town dock at Blodgett Landing needs repair: planks, ladders, guard rails. Can anything be done?

A—Moderator Rogers stated that heavier plank-ing had been put on the Blodgett dock, and some repair had been done. He noted that the ladders are poor, and that there would probably be nothing done on that before Labor Day as it was only a couple of weeks away, but that something would be done at a later date.

Q—The area between Frostop and the town dock is overgrown with weeds. During the past weeks, the water at the shallow end has become very dirty as a result. Which group in town should be approached to undertake the cleaning of this area?

A—Health Officer Ernest Sherman stated that there were three reasons for this. 1. The wind blows all surface material to this end of the lake, and as the season progresses, our end gets dirtier. 2. The muddy color water is

due to nature! The beaver pond behind the fire station is the cause of this discoloration. 3. As for the weeds, these are again due to nature. Through the years, the weeds have grown up through the sand. It is against town jurisdiction to do anything in that area as it is state owned land. If clear, white sand could be dumped in then it would cover over the weeds, only in years to come to have the weeds grow through again.

Q—It was stated by several concerned people that this condition seems to get worse each summer, and that many dead crayfish have been found. It was asked if this can't be cleaned up, and also, if it is not the Town's jurisdiction, if the Town Fathers couldn't bring it to the attention of the proper State authorities?

A—Mr. Ernest Sherman said that he has had the Chief Sanitary Engineer inspect this area many times.

Q—The 15 MPH speed limit sign at the corner of Washington Street and Blodgett Road at Blodgett Landing has been vandalized for at least two summers. Could it be replaced and enforced?

A—Arthur Jones said that the signs could be replaced, but not enforced! The minimum legal speed limit is 30 MPH, therefore the 15 MPH signs that have been put up are not enforceable.

Q—Why hasn't there been some action on controlling car speed in area of Trading Post? Also, painting of crosswalk this year?

A—Arthur Jones stated that the reason the crosswalk has not been painted was because of Governor Thomson's curb on spending. Again, we are not allowed to paint the lines, or touch the state highway, because it is under state jurisdiction! One non-resident asked if one child is killed, who would be to blame? Moderator Rogers answered that the driver would be to blame.

Q—Why isn't there an imposed speed limit on boats near the Town dock?

A—Moderator Rogers stated that this was not under Town jurisdiction, but again up to the State. He stated that there are boating laws and boat safety laws.

Q—Why can't we have posted speed limit signs in the dock area?

A—Moderator Rogers again stated that this was under state control. Representative Kenneth Sherman stated that everything brought up and discussed at this meeting would be forwarded to the proper state officials.

Q—What controls are planned to restrict snowmobiles violating private property and killing wildlife?

A—Police Chief Jones answered, none. Must post own property.

Q—What constitutes legal posting?

A—Signs must be posted at every entrance to your property and must read "No Snowmobiles & No Snow Vehicles, and must show owner's signature. He stated that No Trespassing or No Admittance signs were not sufficient or legal.

Q—Does the town have any authority to limit the size of boats and motors on Lake Sunapee? There should be a limit.

A—No, the town does not have the authority. This is under State control. Moderator Rogers stated that anyone 13 years of age or older can operate any motor over 25 HP, also, that a person observing the skier, or being a rope tender must be 13.

Q—Asked if there is any age limit on anything under 25 HP?

A—Moderator stated that anyone old enough to pull the motor rope could operate any motor under 25 HP, the way the current law reads.

Q—Does the town have any authority to require a minimum age for the operation of a power boat on the lake? There should be a minimum age set, say 16 years old.

A—Moderator answered this question above.

Q—No question. Just a laudatory comment for those responsible for the installation of a street light on Newbury Heights. When feasible, perhaps the lighting will be extended to the turn at the end of the road.

Q—Are we going to get street lights and a fire exit on Perry Avenue in Blodgetts Landing?

A—Moderator asked, "Where is Perry Avenue?" Person asking the original question explained that it was the road going in off 103-A that had been made and named by Clarence Perry. It was stated that this road is NOT a town road. It was then asked, what could be done to have it accepted as a town road. It was explained that the Town Road Agent would be the person to contact and he would tell what is needed to be done to make the road acceptable. It would then have to be put on a petition with 10 names and given to the Selectmen so that they would have it appear on the March Town Meeting warrant to be voted upon by the Town. Also, that the ten names must be ten registered voters of the Town.

Q—Is it possible in near future to install street lighting on Gillingham Drive?

A—Selectman James Wright asked if the one asking the question knew whether or not the section on Gillingham Drive was in Newbury? If so, then it would be possible, and the same thing as stated above make it possible. A petition with 10 names, etc.

Q—Are all the properties on Bowles Road connected with the sewerage system. If not, which ones are not attached?

A—Ernest Sherman stated that there were copies of the sewer ordinance available if anyone wished to see them. Merle Rich stated that there were two properties currently not connected. Moderator Rogers stated that he would not get into personalties.

Q—What will be the effect of Revenue Sharing on the Newbury tax rate?

A—Moderator Rogers answered that there would be no direct affect as the Revenue Sharing was all going toward a new fire station. However, indirectly, if the town had to raise the money for a new fire station, then it would increase the tax rate.

Q—Can someone explain the new state legislation on Undeveloped Open Land?

A—Selectman James Wright said that the Selectmen had met with the tax commission (State) and that they weren't yet clear on any new legislation, and that at this time the old law applies.

Q—What is the outlook on tax assessments? and tax rates? How affected by recent land purchases at inflationary prices?

A—Kenneth Sherman stated that the town assessors assess property as the State Tax Commission commands them to. The State says that we must assess at 100%. They also say that we must assess property for reasonable sale value. Yet all property must be assessed the same. We can only decide upon the town portion of the tax rate. We have no control over the county or school portion. At this time, we don't know what the tax rate for 1973 will be, hopefully, it will remain the same or go down.

Q—What are the conditions relating to variance?

A—Paul Diekmann, Chairman of the Planning Board, stated that you go to the Zoning Board of Adjustment and they will grant you a meeting on request. He also stated that the Planning Board meets every 2nd and 4th Thursdays of the month.

Q—If you own a parcel of land which has been subdivided, but neither parcel is 2 acres, can you still build on it?

A—Ernest Sherman stated that if it was recorded as a designated building lot, or lots, before the rule went into effect, and was recorded and registered with the Merrimack County Registry of Deeds, then you can build on it, providing each parcel can meet with the State & Town Water Pollution Controls.

Q—Why no action on lot next door?

A—Moderator Rogers explained that Article 26 at the March meeting was a proposal to swap land owned by Larry Bonner in South Newbury with a parcel of land on Newbury Heights owned by the Town. The Article was tabled.

Q—Can the brush be cleared on the left of Bowles Road going into Blodgetts Landing? Can the visibility be improved on leaving the Landing and entering 103-A going North? This is not the town's jurisdiction, but could some pressure be put on New London to improve the County Road as it is the short cut from Newbury to New London?

A—The Selectmen will have the Road Agent look at the Bowles Road brush situation. Arthur Jones stated that the property entering 103-A going north is privately owned and that he would check in Concord to see if the cane could be cut back. Kenneth Sher-

man stated that we, of course, have no influence over New London roads, but that he had spoken to a New London authority about this road before and was advised that it was not used by school buses, therefore, nothing would be done.

Q—What is the present cost per pupil for Newbury students at the Kearsarge Regional? Is a future reduction possible?

A—School Board member, Daniel Wolf, stated that the cost per pupil will be \$1,650. for the coming school year. He stated that last year we sent 139 pupils for a total assessment of \$214,800.60 (Newbury's share). That there was an expected increase of 12 students for this coming year, and that there would be an increase in the assessment.

Q—What is the largest expenditure?

A—Salaries takes the largest share, with transportation costs running a close second.

Col. Leonard expressed thanks to the town for holding the meeting and made a motion that a meeting be conducted at 8 p.m. on the third Saturday next August. (Date would be August 17, 1974).

Approximately 80 persons attended the meeting.

Respectfully submitted,

Evelyn C. Davis
Town Clerk
